Dear _____,

We are CUFI on Campus at _____. Our aim is to combat antisemitism on college campuses in any form that we encounter it. We seek to provide Christian student leaders with the skills, resources, relationships, and biblical teachings they need to speak up on behalf of Israel and the Jewish people.

As you know, antisemitism is on the rise in America and especially on college campuses. That is why we are reaching out – to partner with you - the Jewish community at _____ - to combat this hatred.

We would like to discuss partnering with you to hold a Shine the Light event similar to Antisemitism Awareness Week. Our aim with this campaign is to raise awareness on our campus about what antisemitism has looked like in the past, and to connect the dots in students' minds to what it looks like today on college campuses in an effort to combat the spread of antisemitism.

Would you be free to meet sometime to see if we could partner in this endeavor? We want Jewish voices to be heard on this campus and we want to know what you as the Jewish community at _____ think is the most important thing to communicate to our student body.

We would be free at _____ on _____ to grab coffee and talk about how we can coalition.

Looking forward to hearing back from you,
